Hon'ble Member, National Human Rights Commission (Govt of India)

**Subject: Invitation as Keynote Speaker for a Special Online Training Session.**

Respected Sir,

The World Human Rights Research Council organizes a special online training session every week for the citizens of the country. The objective of this training series is to create awareness among citizens about their rights. On this occasion, we are delighted to invite you as the **Keynote Speaker** for this prestigious training session.

The training session is conducted online through Google Meet and is held from **8:00 PM to 9:00 PM (Indian Standard Time)**. The session may be organized for one or multiple days, and its duration, format, and subject matter can be determined according to your guidance and convenience. We are confident that your experience, knowledge, and insights will be highly inspiring and beneficial for the participants.

On the final day of the session, certificates are awarded to all participants, and a special closing ceremony is organized in honor of the keynote speaker. During this ceremony, a certificate of appreciation and a token of honor are presented in recognition of the speaker's valuable contribution. In addition, the Council annually organizes a National Convention in New Delhi, where distinguished guests and speakers who have contributed to the training sessions are invited and honored with the **National Human Rights Award**.

We therefore humbly request you to kindly accept this invitation and provide us with the opportunity to benefit from your valuable guidance. If possible, we would also appreciate it if you could share a brief introduction about yourself so that we may include it in our Visitor Diary as a cherished record.

**“We would be honored by your presence and participation”**

Regards'

Ms Rashmi Bala
